Landis Office Center Announces New Appointment

Landis announces the appointment of Todd McKenzie to Customer Information Specialist. His primary duty will be the management of a new backend computer system which runs customer accounts, purchasing, inventory and accounting functions.

Todd is the son of Georgene and Richard McKenzie and has recently relocated back to the Cumberland area from Rockville, MD. He is a graduate of Bishop Walsh and West Virginia Wesleyan College. Todd has held several different positions in the management and operations fields. These positions range from Executive Vice President of International & Domestic Operations for Federal News Service to the Director of Operations at Travisa. Todd also owned a consulting firm, TKM Consulting, where he held the position of President and CEO. Due to this vast experience, Landis is pleased to have Todd join our staff.

Landis Office Center has been providing office solutions for over 40 years. You can reach us at www.landisoffice.com or call us at 301-722-1900.
